

INSTRUCTIONS TO RUN THE GAME:

- ❖ When you run the .exe file you will be prompted with a message that a file with a .dll extension is missing.
- ❖ To avoid this problem I have provided in the cd two .dll files viz. msvcp110d.dll and msucr110d.dll.
- ❖ These need to be along with the .exe file copy these two files to your PC.
- ❖ Shift these files to the system32 folder.
- ❖ Now the game can be run at your ease without any problems.

NOTE: The game must be run on a PC containing OS Windows7 home basic and above. It will not run on Windows XP/Vista etc.
